4th -Binary Commission –Residual Commissions

NatLa's Pay plan is Binary meaning that, each IBA will have the opportunity to build two teams, one team on each side of the binary and from the volume formed by these teams the IBA will generate a % of commissions as residual payment another words, money which will be earned on a residual basis. Below see an example of how the two teams form under an IBA. Also, in the next page see a scale of positions obtained based on the level of production of each team.
